SAV-C5 SE

Full Range Hi-Performance Centre Channel Loudspeaker

The SAV-C5SE is the perfect solution for those discerning listeners that demand a big performance from a centre speaker without compromising quality – delivering excellent clarity, bass extension and an impressive ability to reproduce dialogue that enhances the home theatre experience.

Each SAV-C5SE is hand built to exact quality standards with fine components throughout, including Sonique's 2nd generation magnetic shielding that is designed to eliminate picture distortion for excellent compatibility with Television and Video screens.

Finished in a choice of genuine Jarrah, Oak or Black Oak timber, the SAV-C5SE will compliment all decors, providing a long lasting beautiful finish that will pass the test of time.

The SAV-C5SE is the ideal centre speaker to upgrade an existing system or for the perfect Home Theatre solution it can be matched to a complete Sonique package.

Design Features Include:

- Dual Gold Plated Bi-wirable Terminals
- Tuned Low Noise Ported Enclosure
- Advanced Driver with Composite Mica Cone
- Long Life Rubber Roll Surround
- Double Magnet Motor Systems
- Full Magnetic Shielding
- High Efficiency Design
- Low Resonance Braced Timber Cabinet

'Sonique's SAV-C5SE is a seriously good centre-channel that would be the perfect choice for anyone serious about the quality of their centre channel sound'.

Best Buys Home Theatre Magazine.
