SLIM 6 THE SMART LOUDSPEAKER SOLUTION WITH THE LOOK AND SOUND OF TODAY

Slim 6 Wall Mounted

Slim 6 Flush Wall Mounted

Slim 6 Optional Stand

SLIM 6

- Award winning design technology
- Low distortion design
- Full magnetic shielding
- Advanced hi-tech drivers
- Inert MDF cabinet
- High efficiency
- Choice of mounting options

The beauty of the Slim 6 is more than cosmetic, it recreates audio as it was intended, reproducing all the important frequencies required for the accurate positioning of sound, delivering an excellent sound stage and superb dynamic capability.

The Slim 6 loudspeakers provide a virtually invisible quality solution that matches perfectly with the latest Flat Panel Screens and Home Theatre Systems.

All Slim Series loudspeakers have been specifically designed for Surround Sound and are also perfect for Multi-Channel Audio and Stereo, the Slim 6 provides a quality matched sound that compliments and enhances both music and pictures.

Slim 6 loudspeakers can even be colour matched to any decor:

- Match paint colours
- Paint your own
- Choice of Grille colours

Unobtrusive yet stylish - the Slim 6 can be easily mounted in the ceiling, in or on the wall, vertically or horizontally, as fronts, rears or centre channel speakers.
