SLIM 66 THE SMART LOUDSPEAKER SOLUTION WITH THE LOOK AND SOUND OF TODAY

Like all of the Slim Series, the elegance of the Slim 66 is more than cosmetic. The Slim 66 delivers crystal clear audio with an extended frequency response that will enhance your listening experience.

Specifically designed for Surround Sound and also perfect for Multi-Channel Audio and Stereo, the Slim 66 brings added life to any audio system.

SLIM 66

- Audiophile grade components
- Oxygen free wiring
- Gold plated terminals
- Double magnet motor system
- Ferro fluid tweeter
- Mineral fillable cabinet
- Full magnetic shielding

The Slim 66 loudspeaker system is the perfect partner to any Home Theatre System, delivering extra flexibility and performance that can only be achieved with a floor standing model.

Slim 66 loudspeakers can even be colour matched to any decor:

- Match paint colours
- Choice of Grille colours
